Conservation Commission

The Town of Dalton Conservation Commission was authorized in accordance with R.S.A. 36-A. The powers of the Commission are investigative and advisory. Any recommendations advanced by its members would be subject to a vote at town meetings. The Commissioners are appointed by the Selectmen.

On Tuesday, January 30, 1968, the first meeting of the Commission was held. Mr. Ted Hutchinson and Mr. Bill Wilson, of the Soil Conservation Office, were present, and suggested plans for the future. The members realized that if a Dalton Conservation Commission were to function properly a full quota was necessary. By request, the Selectmen were asked to appoint the new members. The appointments were as follows: Leo St. Cyr, Edward Driscoll, Frank L. Ashmore, and Willard Streeter.

A picnic area was developed on the property of Mr. and Mrs. Leo St. Cyr, Mrs. Lillian Adams family, and Mr. and Mrs. Bliss Burbank. Countless hours were involved by the townspeople in this project, which is near completion.

The Commission wishes to install a dry hydrant for fire protection. The project has to be completed by April 30, 1969 according to the requirements of the Water Resources Board.

The Commission would like to express its thanks to Mr. and Mrs. Burbank, Mr. and Mrs. St. Cyr and Mrs. Lillian Adams family for their cooperation in the development of the picnic area. We would also like to thank those people who devoted their time in helping to make this project a possibility. We are grateful to the Selectmen for their cooperation and the use of the Town's equipment.

The members of the Conservation Commission feel that since Dalton is located on the Connecticut River, it must show a sense of responsibility for the future of our town.

Dalton Planning Board

The Dalton Planning Board has held regular meeting since it was organized. We have met with members of the Planning Staff from Concord. Two members have been appointed to attend the Regional Planning Board meetings. The Planning Board, with the help of Mr. Sargent, has put together an aerial map of the town of Dalton. We plan to have public meetings early this year at which the aims and objectives of the Planning Board will be presented to the people of the town for consideration.

Health Report

December 31, 1968

Mrs. Edith L. Burbank

Town Clerk

Daton, N. H.

To the Citizens of the Town of Dalton:

In 1968, 55 visits were made in the community. These visits are classified as follows:

Administration and Promotion	1
Cardiac	1
Crippled Children's Services	2
Health Supervision	49
Post Partum	2

Booster immunizations for diphtheria and tetanus were given to 41 school children, and 9 physical examinations were given to preschool children. At the Spring Immunization Clinics held in Whitefield, 13 Dalton preschool children were immunized. One child attended the Pediatric Cardiology Clinic in Lancaster.

The opportunity to receive the benefits of medical science and enjoy good health has become a basic human right.

Today, your community is faced with the challenge of chronic illness and especially with the need to provide a gamut of supportive services for people in their homes. To meet the challenge, Public Health Nursing services must be available in your community. Service that will help all citizens reach and maintain optimal health and reach the people where they are. The accent should be on cooperative undertakings. Coordination will have to be achieved not only horizontally within each community, but also vertically, between smaller and larger communities.

Supporting and sponsoring service is a community's expression of concern for individuals, its investment in human resources, and its wish to help individuals realize their maximum potential. Your community needs this service now, and immediate planning should be undertaken to mobilize the resources to meet the health needs in your community.

It has been a pleasure to serve the Citizens of Dalton and I wish to express my gratitude for their cooperation during the past year.

Respectfully submitted,
ELEANOR D. KENNEY, R. N.
Public Health Nurse, District 2
N. H. State Dept. of Health
